

Meridium Virtual Conference

May 27 • 11am (EDT)

Welcome and Introduction *Bonz Hart, CEO, Meridium*

Growing the Return on Assets: The Journey to Excellence *Roy Whitt, VP, Value Realization Group, Meridium*

Meridium Release and Roadmap Overview *Joe Nichols, VP, Product Strategy, Meridium*

Also featuring...

Managing Asset Performance: Risk or Reward - Where to Focus During Difficult Times? *Ron Moore, Author and Asset Management Expert*

Client Case Studies

Maximizing Return on Assets in Power Generation and Improving Accountability with Meridium

Lou Matis, Xcel Energy

Lessons in Asset Management during Turbulent Economic Times

Bernie Cooper, CEO, Silcar

Show Me The Money! Projected Benefits Far Exceed Expectations at Dakota Gas

Bob DeMaria, Dakota Gas

Optimizing Production for Critical Equipment Systems Using Monte Carlo Simulation and RCM Techniques

Pedro Paulo Vasconcellos, Braskem

Reliability Focused Cost Reduction

Paul Casto (formerly of Eastman Chemical)

Using Meridium to Automate Nuclear Reliability Processes

Vesa Tuomi, Bruce Power

Using Meridium to Define a Corporate Reliability Culture

Sergio Barreiro, Braskem

Capacity Loss Elimination: How Xcel Energy is Optimizing Assets for Generation Reliability

Jim Weller, Xcel Energy

NOVA's Reliability Work Process

Tim Stovall and Randy King, NOVA Chemical

Meridium Product Demonstrations

Asset Strategy Management

Asset Strategy Implementation

Reliability Analytics

RCM & FMEA

Risk Based Inspection & Mechanical Integrity

Generation Management

Asset Health Indicators

Operator Rounds

SLCM (SIS, HazOp)

RCMO

Partner Solutions

Mechanical Integrity Data Management: What Do We Do with All This Stuff? *Dr. Paul Schubert, SGS*

Doing More with Less: Capturing Intellectual Capital in the Workplace *Bob Latino, Reliability Center Inc.*

Driving the Perfect Plant by Benchmarking your Performance *Ian Ryan, SAP*

Leveraging Data for Reliability Analysis and Critical Decision Making *Mac McGarrigle, Intergraph*

Foundational Services: The Strategic Answer For Improved Reliability *Jim Henry, SKF*

Setting up SAP for Reliability Coding *Kahn Ellis, Vesta Partners*

Accelerating Asset Strategy and Risk Management with Industry Best Practice Content *David Worledge, Asset Performance Technologies, and Joe Nichols, Meridium*
